

## Help *Our* School Raise Money

With **Search and Give** and your help, our school can raise money just by searching the Web.

Our school is participating in **Search and Give**, an exciting new program sponsored by Microsoft and supported by Scholastic. **Search and Give** is powered by Live Search from Microsoft®, a simple and innovative search engine that can help us earn money for the supplies and equipment our school needs.

### It's FREE

There is no fee to enroll and participation is completely voluntary. It does not cost our school or our supporters anything to participate and there are no hidden commitments.

### It's AUTOMATIC

Supporters can quickly and easily sign up online. Once they're signed up, each time a supporter uses **www.searchandgive.com** to search the Internet, Microsoft will donate a ticket to our school's account\*. Microsoft handles all program administration, including automatic ticket redemption. Near the end of the school year, these tickets will be converted to cash and our school will receive a check from Microsoft.

### It's REWARDING

The money our school earns can be used to purchase classroom supplies, computers, printers, video equipment, and more. The more supporters we have, the more money we can raise!

### Help our school spread the word about this program.
